

Electrician's Longlife Folding Ruler 2 m Metric 15 mm, 10 Segments - Wiha 42068

Item no. WH-42068

Manufacturer Wiha

EAN 4010995420680

Wiha's Electrician's Longlife folding ruler combines measuring, flush-box spacing layout for up to three boxes and an integrated cable feeder aid for cable diameters of 3 to 7 mm in a single tool. The bright orange colour and UV-reactive paint make it quick to locate on busy construction sites.

TECHNICAL DATA

Ausführungsklasse	TEC
Colour	Orange
Country of Manufacture	Switzerland
HS-Code	90178010
Weight	0.135 kg

DESCRIPTION

During electrical installation, the ruler removes the need to switch between multiple tools: measure distances, lay out flush-box positions and route cables through conduit all without swapping tools. The bend-proof design ensures lasting dimensional accuracy throughout the product's service life.

BENEFITS

- Integrated cable feeder aid for diameters 3-7 mm simplifies routing in hard-to-access installation locations
- Flush-box distance scale for up to 3 boxes and edge-distance marking at 150 mm
- Bright orange with UV-reactive paint - visible even in poor light conditions
- Bend-proof Longlife construction for maximum durability and precise measurements

TECHNICAL DATA

- Length: 2 m metric
- Segment width: 15 mm
- Segments: 10
- Colour: orange
- Folded dimensions: 235 x 32 x 15 mm

APPLICATIONS

Measuring and marking distances for flush boxes and routing cables during electrical installation
