

Functional Bag for ElectricVario Family Empty, 240 x 170 x 70 mm - Wiha 43474

Item no. WH-43474

Manufacturer Wiha

EAN 4010995434748

The Wiha functional bag holds 18 slimBits, 8 nut driver inserts and 5 ElectricVario Family handles in one compact case. When unfolded it acts as a workbench stand for quick tool access. Elastic loops, two compartments, metal buckles and a removable base insert keep everything in order on the job.

TECHNICAL DATA

Ausführungsklasse	TEC
Country of Manufacture	China
HS-Code	42029298
Weight	0.625 kg

DESCRIPTION

Mobile electricians need their accessories stored systematically and always within reach. The Wiha functional bag is sized specifically for the ElectricVario Family, fitting all standard components in a case that converts into a freestanding workbench organizer.

BENEFITS

- Capacity for 18 slimBits, 8 nut driver inserts and 5 EVF handles
- Workbench stand function: open flat for direct access to all tools
- Wall-hanging strap for space-saving storage at fixed workplaces
- Removable base insert provides space behind the slimBit tray for manuals or torque certificates
- Robust material with metal buckles for lasting daily use

TECHNICAL DATA

- Dimensions: 240 x 170 x 70 mm (L x W x D)
- Elastic loops for bits and nut drivers
- Two additional compartments for extra tools
- Metal buckles
- Removable base insert

APPLICATIONS

Designed for speedE®, slimVario® and TorqueVario® accessories. Country of origin: China (CHN).
