

Switch Cabinet Key Pen Shape 9 Profiles GRIVORY® - Wiha 39076

Item no. WH-39076

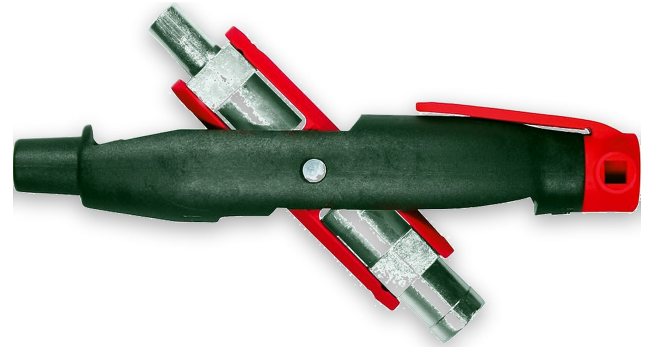

Manufacturer Wiha

EAN 4010995390785

The Wiha switch cabinet key in pen shape combines 9 key profiles (Slotted 7 mm, double bit 3-5 mm, PH2, T20, T25, triangular head 9, square head 5-8 mm) in a lightweight GRIVORY® housing that is up to 30% lighter than conventional plastics. Includes a push-on clip for attachment to a belt or work trousers.

TECHNICAL DATA

Ausführungsklasse	TEC
Country of Manufacture	Germany
HS-Code	83017000
Weight	0.115 kg

DESCRIPTION

Switch cabinets, street lamps, inspection openings and heating systems use a variety of key profiles not covered by standard screwdrivers. The Wiha switch cabinet key in pen shape packs 9 essential profiles into a single tool and reduces weight by up to 30% thanks to its high-tech GRIVORY® material.

BENEFITS

- 9 profiles in one tool: Slotted 7 mm, double bit 3-5 mm, PH2, T20, T25, triangular head 9, square head 5-8 mm
- GRIVORY® high-performance material: up to 30% lighter than conventional materials
- Push-on clip for comfortable attachment to a belt or work trousers
- Two double bits with slotted, Phillips and TORX® profiles
- Suited for maintenance, service and installation across various sectors
