

Heavy-Duty Diagonal Cutter Professional electric 200 mm, DynamicJoint® VDE - Wiha 41279

Item no. WH-41279

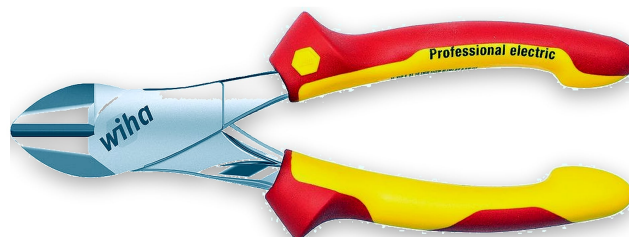

Manufacturer Wiha

EAN 4010995412791

The Wiha Professional electric heavy-duty diagonal cutter with DynamicJoint® delivers up to 40% greater cutting force and handles soft to extremely hard wires and cables up to 2.8 mm diameter. The switchable opening spring reduces hand fatigue during continuous use, and the high-quality chrome-plated surface provides lasting corrosion protection. Manufactured to IEC 60900 - rated up to 1,000 V AC.

TECHNICAL DATA

Ausführungsklasse	TEC
Country of Manufacture	Vietnam
HS-Code	82032000
Weight	0.312 kg

STANDARDS & COMPLIANCE

IEC 60900 DIN ISO 5749

DESCRIPTION

Repeatedly cutting cables and wires to length strains the wrists. The Wiha Professional electric diagonal cutter counters this with the DynamicJoint® pivot, which transfers hand force efficiently to the cutting edges for up to 40% more cutting force than conventional pliers. The switchable opening spring and chrome-plated surface make this a long-lasting companion for everyday electrical work.

BENEFITS

- Up to 40% greater cutting force via DynamicJoint® joint design
- Switchable opening spring for fatigue-free work in continuous use
- VDE-certified to IEC 60900 - safe working up to 1,000 V AC
- Semi-circular head for a clean, burr-free cut edge
- High-quality chrome-plated surface for lasting corrosion protection
- Ergonomic two-component handle for comfortable use

TECHNICAL DATA

- Overall length: 200 mm (8")
- Dimensions: 200 x 50 x 35 mm (L x W x D)
- Maximum diameter: 2.8 mm

- Medium-hard wire: up to 4.2 mm
- Hard wire: up to 3.0 mm
- Cutting force index: 19

APPLICATIONS

Designed for electricians and installation technicians who cut soft to very hard wires and cables daily. The IEC 60900 rating to 1,000 V AC makes this cutter a dependable tool for work on live parts in electrical installations.

Made in Vietnam. HS code: 82032000. Standards: DIN ISO 5749, IEC 60900.
