

Screwdriver with Bit Magazine LiftUp electric, 6 slimBits Slotted/Phillips/PlusMinus, SB carton - Wiha 38613

Item no. WH-38613

Manufacturer Wiha

EAN 4010995386139

The LiftUp electric 38613 combines an insulated screwdriver and a built-in bit magazine for 6 slimBits in one handle, supplied in SB cardboard packaging. The push-button magazine and insulated ClicFix bit holder give immediate access to slotted, Phillips, and PlusMinus/Pozidriv drives. Tested to IEC 60900 for live parts up to 1,000 V AC.

TECHNICAL DATA

Ausführungsklasse	TEC
Certification	IEC 60900
Country of Manufacture	Poland
HS-Code	82054000
Weight	0.19 kg

STANDARDS & COMPLIANCE

IEC 60900

DESCRIPTION

The LiftUp electric 38613 equips electricians with three drive families in a single tool. The bit depot in the handle holds six 75 mm slimBits that are dispensed by pressing a button. The insulated metal ClicFix bit holder accepts only 6 mm slimBits and keeps them locked until deliberately released. The product comes in self-service cardboard packaging for retail display.

BENEFITS

- Three drive families in one tool: slotted, Phillips, PlusMinus/Pozidriv
- Push-button magazine for fast access, saves 75% of storage space
- slimBits with integrated protective insulation reach deep-lying clamps and terminals
- Insulated metal ClicFix bit holder accepts only 6 mm slimBits, secure lock
- Expandable and compatible with the Wiha ElectricVario Family (EVF)
- Rotating cap reduces hand fatigue during continuous use

TECHNICAL DATA

- Dimensions: 283 x 50 x 40 mm (L x W x D) incl. packaging
- Bit length: 75 mm (6 mm slimBits only)
- VDE certified: Yes
