

PicoFinish Fine Screwdriver Hex Nut Driver 5.0 mm x 60 mm - Wiha 42452

Item no.	WH-42452	Manufacturer	Wiha
Manufacturer no.	42452	EAN	4010995424527

The Wiha PicoFinish 265P hex nut driver with 5.0 mm hexagon head is built for delicate fastening tasks in precision mechanics, model-making and hobby applications. The ergonomic handle with soft zone and smooth-running rotating cap combine speed with precision for careful work in confined spaces. Chrome-vanadium steel, matt chrome-plated.

TECHNICAL DATA

Article authenticity	Original product
Condition of article	New
Country of Manufacture	Germany
Execution	TEC
HS-Code	82041100
Weight	0.026 kg

STANDARDS & COMPLIANCE

ESD safe

DESCRIPTION

When working with 5.0 mm hex fasteners in fine assemblies, controlled final tightening matters more than brute torque. The Wiha PicoFinish 265P delivers that control through its long, slim handle and quick-turning zone, keeping both insertion speed and finishing precision high.

Benefits

- Ergonomic handle with soft zone for comfortable, low-fatigue operation
- Smooth-running rotating cap for fast and sensitive turning
- Long, slim grip body suited to confined assembly positions
- Printed screwdriver symbols on the rotating cap for fast profile identification
- Chrome-vanadium steel, matt chrome-plated for lasting corrosion resistance

Technical data

- Hexagon head: 5.0 mm
- Visible blade length: 60 mm
- Overall length: 160 mm
- Handle diameter: 18 mm
- Head width socket 1: 6.8 mm
- Head width socket 2: 7.0 mm
- Product dimensions: 162 x 17 x 17 mm (L x W x D)
- Material: Chrome-vanadium steel, matt chrome-plated
- EAN: 4010995424527

Applications

Suited for precision screw fastenings in precision mechanics, electronics, model-making and hobby activities where sensitivity and control are key.

Made in Germany. HS code: 82041100.
