

PocketStar TORX L-Key Set 7-pcs. with SB Hanger, 95 mm - Wiha 23053

Item no. WH-23053

Manufacturer Wiha

EAN 4010995230531

The PocketStar L-key set with 7 TORX blades (T7 to T25) in the compact 95 mm folding holder is supplied with an SB hanger for peg-hook retail display. Blades made of chrome-vanadium steel, through-hardened and galvanically finished, with single-blade selection via opening button.

TECHNICAL DATA

Ausführungsklasse	TEC
Country of Manufacture	Poland
HS-Code	82054000
Weight	0.105 kg

DESCRIPTION

Identical in specification to set 23051, but supplied with an SB hanger for peg-hook display. The seven TORX blades T7 to T25 are made of chrome-vanadium steel, through-hardened and galvanically finished for lasting durability. The ergonomic fiberglass-reinforced housing (95 x 35 x 27 mm) gives a firm grip. Work positions between 90° and 270° are freely selectable; at 270° the holder provides a lever arm for higher torque and at 180° it serves as a screwdriver.

BENEFITS

- Chrome-vanadium steel blades, through-hardened and galvanically finished
- Individual blade selection via opening button - no back-swinging of unused blades
- Usable as T-handle or inline screwdriver - adapts to the task
- Compact format 95 x 35 x 27 mm - ideal for the tool bag
- SB hanger for peg-hook retail display
