

Heavy-duty diagonal cutters Classic with DynamicJoint® 180 mm - Wiha 41261

Item no. WH-41261

Manufacturer Wiha

EAN 4010995412616

The Wiha heavy-duty diagonal cutters Classic 180 mm cut soft to extremely hard wires and cables with up to 40% more cutting force thanks to the DynamicJoint® joint design, which optimally transfers hand force to the cutting edges. The semi-circular head guarantees a clean cut edge. Suited to applications in mechanics and heavy continuous use.

TECHNICAL DATA

Ausführungsklasse **TEC**

Country of Manufacture **Vietnam**

HS-Code **82032000**

Weight **0.216 kg**

DESCRIPTION

Cutting cables and wires to length under continuous heavy-duty conditions puts significant strain on wrists and muscles. The Wiha heavy-duty diagonal cutters Classic 180 mm with DynamicJoint® transfer hand force optimally to the cutting edges, noticeably reducing the effort required - while delivering up to 40% greater cutting force compared to conventional designs.

BENEFITS

- DynamicJoint® joint geometry: up to 40% greater cutting force at the same hand pressure
- Semi-circular head shape for clean, burr-free cut edges
- Cuts soft to extremely hard wire: from soft copper wire to hardened spring steel
- Classic handle for a simple, stable grip under hard use

TECHNICAL DATA

- Overall length: 180 mm (7")
- Max. diameter soft: 2.5 mm
- Medium-hard wire: up to 3.8 mm
- Hard wire: up to 2.7 mm
- Hardened spring steel: up to 2.3 mm
- Cutting force: 18

APPLICATIONS

- Cutting cables and wires to length in mechanics, machine maintenance and the trades
- Cutting soft to extremely hard wires under continuous heavy-duty use

Made in Vietnam. HS code: 82032000.
