

Feinvorschub für FF 500/BL - Proxxon 24254

Item no. PX-24254

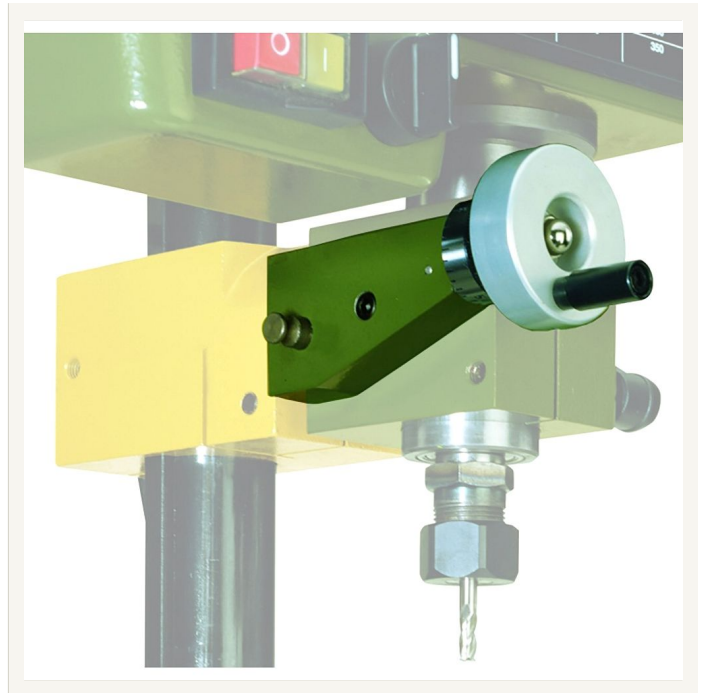

Manufacturer Proxxon

EAN 4006274242548

The fine feed upgrades the FF 500/BL micro mill for especially sensitive infeed of the milling spindle. It lets you set exact milling depths and controlled feeds.

TECHNICAL DATA

Ausführungsklasse	TEC
Country of Manufacture	Germany
Weight	0.502 kg

DESCRIPTION

The fine feed complements the FF 500/BL micro mill and allows a sensitive, controlled infeed of the spindle. This makes exact milling depths and even feeds possible.

Benefits

- Sensitive infeed for exact milling depths
- Controlled feed for demanding work
- Direct accessory matched to the FF 500/BL

TECHNICAL DATA

- Dimensions: 175 x 80 x 75 mm
- Weight: approx. 0.50 kg
- Country of origin: Germany

Applications

Accessory for the FF 500/BL micro mill for work requiring sensitive infeed and exact milling depths.
