

MICROMOT-Adapter für FF 500/BL - Proxxon 24346

Item no. PX-24346

Manufacturer Proxxon

EAN 4006274243460

With the MICROMOT adapter the FF 500/BL micro mill accepts the MICROMOT tool holder and can hold finer cutters and grinding bits. This broadens the machine's range of use.

TECHNICAL DATA

Ausführungsklasse	TEC
Country of Manufacture	Germany
Weight	0.357 kg

DESCRIPTION

The MICROMOT adapter connects the FF 500/BL micro mill with the MICROMOT clamping system. It lets you hold finer cutters and grinding bits and broadens the machine's range of use.

Benefits

- Accepts MICROMOT tools on the FF 500/BL
- Broadens the range to finer cutters and grinding bits
- Direct accessory matched to the FF 500/BL

TECHNICAL DATA

- Dimensions: 135 x 118 x 65 mm
- Weight: approx. 0.36 kg
- Country of origin: Germany

Applications

Accessory for the FF 500/BL micro mill when using fine MICROMOT tools.
