

Tischkreissäge KS 230 - Proxxon 27006

Item no. PX-27006

Manufacturer Proxxon

EAN 4006274270060

The KS 230 bench circular saw cuts small workpieces of wood, plastic and non-ferrous metal precisely and straight. Its compact design and sturdy table make it a clean solution for model making and fine work.

TECHNICAL DATA

Ausführungsklasse	TEC
Country of Manufacture	Germany
Weight	2.355 kg

DESCRIPTION

Clean, straight cuts on small workpieces are easy with the KS 230 bench circular saw. The sturdy table guides the material safely so wood, plastic and non-ferrous metals are cut to size accurately.

Benefits

- Precise, straight cuts on small workpieces
- Sturdy table for safe material guidance
- Compact design for the workbench
