

Scroll Saw DS 230/E - Proxxon 27088

Item no. PX-27088

Manufacturer Proxxon

EAN 4006274270886

The DS 230/E scroll saw cuts fine internal and external contours in wood, plastic and soft metal. A compact bench tool for clean fretwork and fine sawing.

TECHNICAL DATA

Ausführungsklasse	TEC
Country of Manufacture	Germany
Weight	3.257 kg

DESCRIPTION

The DS 230/E scroll saw is designed for fine contour cuts and follows tight curves and internal cut-outs cleanly.

- **Fine contours:** for tight radii and delicate cut-outs.
- **Internal cuts:** blade can be threaded through for openings in the workpiece.
- **Bench unit:** compact, stable build for a fixed workstation.

TECHNICAL DATA

- Dimensions approx. 330 x 220 x 125 mm
- Weight approx. 3.3 kg

Applications: model making, fretwork and precision mechanics in wood, plastic and soft metal.
