

2-Speed Scroll Saw DS 460 - Proxxon 27094

Item no. PX-27094

Manufacturer Proxxon

EAN 4006274270947

The DS 460 2-speed scroll saw cuts fine contours in wood, plastic and soft metal and offers two speed settings for different materials. Large throat depth for bigger workpieces.

TECHNICAL DATA

Ausführungsklasse	TEC
Country of Manufacture	Germany
Weight	22.126 kg

DESCRIPTION

The DS 460 2-speed scroll saw is built for clean contour cuts and adapts to the material via two speed settings.

- **Two speeds:** two settings for wood, plastic and soft metal.
- **Fine contours:** for tight radii, internal cuts and delicate cut-outs.
- **Large throat:** more room for bigger workpieces than compact models.
- **Stable stand:** heavy bench unit for smooth, low-vibration running.

TECHNICAL DATA

- Two speed settings
- Dimensions approx. 640 x 365 x 365 mm
- Weight approx. 22.1 kg

Applications: model making, fretwork, inlay work and precision mechanics.
