

Micro Bandsaw MBS 240/E - Proxxon 27172

Item no. PX-27172

Manufacturer Proxxon

EAN 4006274271722

The MBS 240/E micro bandsaw cuts wood, plastic and soft metal cleanly and around curves with a continuous saw band. A compact bench tool for fine cut-off and contour work.

TECHNICAL DATA

Ausführungsklasse	TEC
Country of Manufacture	Germany
Weight	7.839 kg

DESCRIPTION

The MBS 240/E micro bandsaw uses a continuous saw band to cut wood, plastic and soft metals, handling straight cuts and curves alike.

- **Curve-capable:** continuous band for straight cuts and tight radii.
- **Versatile:** for wood, plastic and soft metal.
- **Stable build:** bench unit for smooth, controlled running.

TECHNICAL DATA

- Dimensions approx. 520 x 350 x 250 mm
- Weight approx. 7.8 kg

Applications: model making, precision mechanics and workshop tasks with curved and straight cut-off work.
