

Tool Balancer 4 DU, Load 1.0-2.0 kg - Treston 939503-00

Item no. TR-939503-00

Manufacturer Treston

EAN 6416763078714

Tool balancer fixed to the light and balancer rail. It offsets the weight of heavier tools and retracts them into a rest position after use.

TECHNICAL DATA

Ausführungsklasse	TEC
Country of Manufacture	Finland
HS-Code	94032080
Weight	0.59 kg

939503-00

DESCRIPTION

The Treston 4 DU tool balancer is fixed to the light and balancer rail and offsets the weight of suspended tools. Heavier, frequently used tools can be handled with less fatigue and are safely retracted once released.

TECHNICAL DATA

Feature	Value
