High carton trolley for packing and moving shipping cartons. The height-adjustable shelves carry steplessly adjustable steel M-dividers. Load capacity 150 kg.

TECHNICAL DATA

Ausführungsklasse	TEC
Colour	Grey
Country of Manufacture	Finland
HS-Code	94032080
Weight	29 kg

DESCRIPTION

The Treston HCT410 high carton trolley is designed for packing and transporting shipping cartons. The shelves are fitted with steplessly adjustable steel M-divider hoops, so cartons of different sizes can be held securely in place.

CONSTRUCTION

The frame and individually height-adjustable shelves are made of epoxy powder-coated steel. Four swivel castors provide agile mobility at the packing station and in the warehouse.
