

Recycling trolley with 1 wastebin, 4 castors, 350x625x765 mm - Treston PRMT1

Item no. TR-PRMT1

Manufacturer Treston

EAN 6416763065479

Recycling trolley with one wastebin, ideal underneath or beside the packing bench. The bin is adjustable in angle for easy use.

TECHNICAL DATA

Ausführungsklasse	TEC
Country of Manufacture	Finland
HS-Code	39231090
Weight	12.2 kg

DESCRIPTION

The Treston PRMT1 recycling trolley comes with one wastebin and is ideal for placing underneath or beside the packing bench. This keeps the sorting and collection of packaging waste organised right at the workstation.

FEATURES

The bin is adjustable in angle, which makes filling and emptying easier. Four castors provide simple mobility.

SPECIFICATIONS

- **Article:** PRMT1
