HS-Code	94039090
Weight	2.5 kg

DESCRIPTION

The Treston PRHL ROLL150 is a depth-adjustable lower roll holder for packing material. It simply hangs on the horizontal bars of the bench legs and stores the roll out of the way beneath the worktop.

SPECIFICATIONS

- For bench width: 1500 mm
- Maximum roll width: 1350 mm
- Depth-adjustable
- Hangs on the horizontal leg bars (TPH and TPB benches)

USE

Ideal when packing material should be stored compactly below the worktop.
