

Perforated panel RL180, 1715x750 mm, grey - Treston RL180

Item no. TR-RL180

Manufacturer Treston

EAN 6416763000869

Perforated panel RL180 in grey, measuring 1715x750 mm, for space-saving tool storage. Mounting on a TPH/TPB workbench requires the RK1 bracket set, which must be ordered separately.

TECHNICAL DATA

Ausführungsklasse	TEC
Colour	Grey
Country of Manufacture	Finland
HS-Code	94039090
Weight	11.5 kg

DESCRIPTION

The Treston RL180 perforated panel provides an efficient and practical solution for keeping tools and accessories organised within reach at the workstation. The perforated surface accepts hooks and holders and makes optimal use of the vertical space above the worktop.

TECHNICAL DATA

- **Width x height:** 1715 x 750 mm
- **Colour:** grey
- **Mounting:** on TPH/TPB workbench

MOUNTING NOTE

Fixing to a TPH/TPB workbench requires the RK1 bracket set. This is not included in delivery and must be ordered separately.
