TECHNICAL DATA

Ausführungsklasse	TEC
Country of Manufacture	Finland
HS-Code	94039090
Weight	3.4 kg

DESCRIPTION

The Treston TH150 is a metal bin shelf for TPH workbenches. It adjusts for depth, height and angle and holds stacking and picking bins directly at the workstation.

SPECIFICATIONS

- **Width x depth:** 1419 x 145 mm
- **Material:** metal
- **Adjustment:** depth, height and angle
- **Weight:** 3.4 kg
- **Use with:** TPH benches

APPLICATION

The adjustable angle provides ergonomic access to small parts held in picking bins, keeping materials organised and within reach.
