DESCRIPTION

The Treston PRH ROLL180 is a height-adjustable upper roll holder for packing material, designed for TPH and TPB packing benches with C-uprights. It keeps paper or film rolls ready above the work surface.

SPECIFICATIONS

- For bench width: 1800 mm
- Maximum roll width: 1700 mm
- Height-adjustable
- For C-uprights (TPH and TPB benches)

USE

Keeps packing material within reach above the packing station for ergonomic unrolling.
