### DESCRIPTION

The Treston FTD50 fixed tape dispenser feeds tape straight from the roll and mounts firmly at the packing station. It allows fast, one-handed dispensing during packing.

### TECHNICAL DATA

- **Core:** suits 76 mm
- **Max roll diameter:** 120 mm
- **Max tape width:** 50 mm
- **Mounting:** screws for fixing to the ASSA4 auxiliary steel shelf included

### APPLICATION

Ideal for dispatch and packing stations where tape needs to be dispensed quickly and cleanly.
