

Perforated panel RL120, 1115x750 mm, grey - Treston RL120

Item no. TR-RL120

Manufacturer Treston

EAN 6416763000920

Perforated panel RL120 in grey, measuring 1115x750 mm, for space-saving tool storage. Mounting on a TPH/TPB workbench requires the RK1 bracket set, which must be ordered separately.

TECHNICAL DATA

Ausführungsklasse	TEC
Colour	Grey
Country of Manufacture	Finland
HS-Code	94039090
Weight	8 kg

DESCRIPTION

The Treston RL120 perforated panel provides an efficient and practical solution for keeping tools and accessories organised within reach at the workstation. The perforated surface accepts hooks and holders and makes optimal use of the vertical space above the worktop.

TECHNICAL DATA

- **Width x height:** 1115 x 750 mm
- **Colour:** grey
- **Mounting:** on TPH/TPB workbench

MOUNTING NOTE

Fixing to a TPH/TPB workbench requires the RK1 bracket set. This is not included in delivery and must be ordered separately.
