ESD safe

DESCRIPTION

The 852267-49 additional support from Treston reinforces shelves in the 1000 series, increasing their load capacity and stability across wider spans or under heavier loads.

FEATURES

- **Suitable for:** shelf 1000
- **ESD-safe:** yes
- **Cleanroom-suitable:** yes
- **Warranty:** 5 years

Thanks to its dissipative construction, the support is ideal for use at ESD-protected workstations and in cleanroom environments.
