Item no. NKH-464121400

Manufacturer Nitto Kohki

Durch das leichte Design ist die Cupla am besten für Druckluftwerkzeuge geeignet! Push-to-Connect-Bedienung für einfache Handhabung.

TECHNICAL DATA

Weight 0.05 kg

DESCRIPTION

The lightweight design makes the Cupla best suited to power tools! Push-to-connect for easy operation.

- Lightweight design suits direct connection to power tools. Aluminum body is adopted for some models to reduce the weight.
- Just push the plug into socket for easy one hand connection.
- Available in various end configurations for a wide range of pneumatic applications.
- Model 02S20P can be connected with sockets for Hi Cupla Models 20, 30 and 40.
- Also available with quick connect / disconnect Tube Fitter type.
