### DESCRIPTION

The WT-5124 floor marking strip from 1A Tapes lets you mark walkways, work areas and storage zones clearly and durably. The segmented design with 260 mm strip spacing means single damaged segments can be replaced instead of renewing the whole marking.

### BENEFITS

- Self-adhesive with application film for fast, accurate positioning
- Hard-wearing PVC with strong floor adhesion, suitable for pallet-truck traffic
- Clear green signal effect for zone and walkway marking

### TECHNICAL DATA

- Material: PVC
- Colour: green
- Width: 50 mm
- Length: 10 m per roll
- Strip spacing: 260 mm
- Selling unit: 1 roll
- ESD-compliant: no

## **APPLICATION**

Suitable for indoor use in industry, warehousing and production to mark traffic lanes, zones and parking areas. Clean with warm water and soap.
