

Cleaning brush with horse hair bristles, zinc plated steel handle, 114 mm - Techspray WL25124

Item no. WL25124

Manufacturer Techspray

Handy cleaning brush with stapled horse hair bristles and a zinc plated steel handle. The soft natural bristles lift dust and flux residue from assemblies without scratching sensitive surfaces.

TECHNICAL DATA

Height	114
Sales unit	1 Stück
Weight	0.1 kg

STANDARDS & COMPLIANCE

ESD safe

DESCRIPTION

Cleaning brush for removing dust, particles and flux residue from circuit boards, components and equipment. The stapled horse hair bristles are firmly anchored, preventing bristle loss and the contamination of the assembly that comes with it.

BENEFITS

- Horse hair bristles, soft enough for sensitive surfaces, scratch free
- Stapled bristles firmly anchored against bristle loss
- Zinc plated steel handle for long service life

TECHNICAL DATA

- Model: 2033-1
- Bristles: horse hair, stapled
- Bristles L x W x H: 11 x 9.5 x 19 mm
- Handle: zinc plated steel
- Handle length: 114 mm
- Selling unit: 1 piece

APPLICATION

Cleaning of circuit boards, assemblies and fine mechanical parts in production, repair and maintenance.

NOTE

The natural bristles are electrostatically neutral. The product is not ESD compliant; the metal handle is conductive and can be grounded.
