DESCRIPTION

The Safeguard ESD T-shirt reliably protects electronic assemblies at the workplace from electrostatic discharge while remaining comfortable to wear. High-quality cotton with woven-in carbon fibre dissipates charges in a controlled way and provides soft wearing comfort throughout the working day.

BENEFITS

- Point-to-point resistance of 10⁵ to 10⁷ ohm for safe dissipation of static charge
- Embroidered ESD logo on the sleeve and a black collar as a visible identifier
- Washable at 40 °C without fabric softener so the dissipative function is preserved
