STANDARDS & COMPLIANCE

IEC 61340-5-1

DESCRIPTION

Mark an electrostatic protected area (EPA) clearly and permanently. This English warning sign in yellow rigid plastic makes the protected zone easy to recognise for staff and visitors.

BENEFITS

- Yellow signal colour for high attention at the zone entrance
- English print for international sites
- Rigid plastic with mounting hole for immediate installation

TECHNICAL DATA

- Material: rigid plastic with mounting hole
- Dimensions: 300 x 150 mm
- Language: English
- Print: single-sided
- Colour: yellow

APPLICATIONS

Suitable for marking EPA zones on doors and passages in production and laboratory areas.

STANDARDS AND COMPLIANCE

Supports the labelling requirements of IEC 61340-5-1.
