Sales unit	1 Stück
Size	3XL
Weight	0.3 kg

STANDARDS & COMPLIANCE

ESD safe IEC 61340-5-1 DIN EN 61340-5-1

DESCRIPTION

The Safeguard ESD T-shirt with V-neck protects electrostatic sensitive components at workstations where staff are in direct contact with sensitive electronics. The carbon yarn woven into the fabric dissipates body charges in a controlled way and keeps personnel inside the ESD protection concept.

BENEFITS

- Dissipative fabric of 97% cotton and 3% carbon fibre for high wearing comfort
- Light fabric weight of 150 gsm for comfortable wear throughout the working day
- ESD logo on the left sleeve as a visible marking
