HS-Code	61091000
Norm	DIN EN 61340-5-1
Sales unit	1 Stück
Size	XXL
Weight	0.3 kg

STANDARDS & COMPLIANCE

ESD safe IEC 61340-5-1 DIN EN 61340-5-1

DESCRIPTION

The Safeguard ESD T-shirt with V-neck in light grey with black collar protects electrostatic sensitive components at workstations where staff are in direct contact with sensitive electronics. The carbon yarn woven into the fabric dissipates body charges in a controlled way and keeps personnel inside the ESD protection concept.

Benefits

- Dissipative fabric of 97% cotton and 3% carbon fibre for high wearing comfort
- Light fabric weight of 150 gsm for comfortable wear throughout the working day
- Light grey version with black collar and ESD logo on the left sleeve

Technical data

- Material: 97% cotton, 3% carbon fibre
- Fabric weight: 150 gsm
- Typical resistance: 10^5 to 10^7 ohm
- Neckline: V-neck
- Sleeve length: short sleeve
- Colour: light grey with black collar
- Gender: unisex
- Size: XXL

Application

Suitable for electronics manufacturing, repair and assembly and for all EPA areas where dissipative workwear to IEC 61340-5-1 is required.

Standards and care

Meets the requirements of DIN EN 61340-5-1. Washable at 40 degrees Celsius, do not use fabric softener.
