

ESD wrist strap Budget, blue, anti-allergic, adjustable

Item no. EP0105031

Manufacturer A1-ESD

Simple ESD wrist strap in blue for personnel grounding at the workbench. Adjustable via the clasp and anti-allergic, the cost-effective choice for electronics assembly.

TECHNICAL DATA

Ausführungsklasse **ESD (antistatic)**Colour **Blue**Norm **IEC 61340-5-1**Sales unit **1 Stück**Weight **0.01 kg**

STANDARDS & COMPLIANCE

ESD safe IEC 61340-5-1

DESCRIPTION

The Budget ESD wrist strap bonds the wearer to the ground potential of the ESD protected area and safely dissipates static charge from the body. It is the cost-effective variant for professional electronics assembly and is used with a grounding cord featuring a 1 MOhm safety resistor.

BENEFITS

- Adjustable via the clasp
- Anti-allergic design
- Cost-effective entry-level solution

TECHNICAL DATA

- Colour: blue
- Design: adjustable, anti-allergic

APPLICATION

Personnel grounding at ESD workstations in electronics assembly, combined with a matching

grounding cord with safety resistor.

STANDARDS

Suitable for use in ESD protected areas to IEC 61340-5-1.
