

ESD Shielding Bubble Bag, 305 x 405 mm - EP0701471

Item no. EP0701471

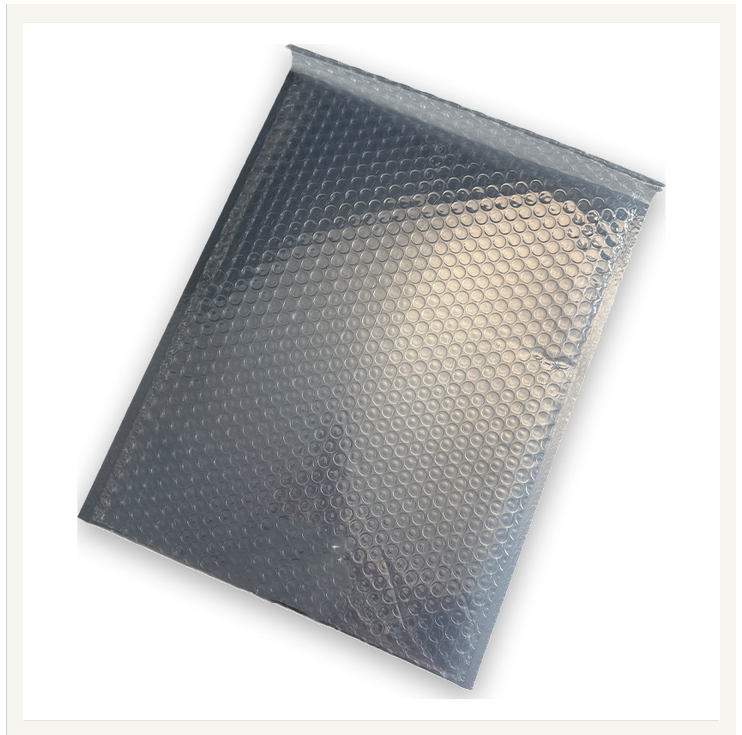

Manufacturer A1-ESD

Shielding bubble bag with a three-layer silver-grey film for the static-safe transport of sensitive electronic assemblies.

TECHNICAL DATA

Certification	IEC 61340-5-1, IEC 61340-5-3
---------------	------------------------------

Weight	0.1 kg
--------	--------

STANDARDS & COMPLIANCE

ESD safe IEC 61340-5-1 IEC 61340-5-3

DESCRIPTION

Shielding bubble bag

- Shielding bubble bag
- Bubble diameter: 10 mm
- Surface resistance inside: less than 1×10^{11}
- Surface resistance outside: less than 1×10^{11}
- Electrostatic shielding: less than 10 nJ
- To ESD standards IEC 61340-5-1 and IEC 61340-5-3
- Colour: silver/grey
- Material thickness: 171 μ (+/- 5%)
- Layers: 3
- Pack size = 250 pieces
