DESCRIPTION

OVERVIEW

The Hakko B 3240 is an official upgrade kit designed to refresh and customize your soldering iron. This kit includes a replacement yellow grip handle and a protective blue iron cover, allowing you to maintain or personalize your soldering equipment.

KIT CONTENTS

- Yellow grip handle for soldering iron
- Blue protective cover for soldering iron
- Instruction manual

APPLICATIONS

Ideal for users seeking to replace worn handles, customize their soldering iron appearance, or maintain their equipment with genuine Hakko components. Suitable for workshop and professional soldering environments.

QUALITY & ORIGIN

Manufactured in Japan to Hakko's quality standards. This genuine upgrade kit ensures compatibility and reliable performance with compatible Hakko soldering irons.
