

Jun-Air 87R-15B Oil-Free Compressor

Item no. JUN-1760430

Manufacturer Jun-Air

The Jun-Air 87R-15B is an ultra-quiet, oil-free rocking-piston compressor with a 15-litre receiver tank. It supplies clean, dry compressed air for dental, laboratory, medical and electronics work, with a larger air reserve than the compact models.

TECHNICAL DATA

Weight

60 kg

STANDARDS & COMPLIANCE

ESD safe

DESCRIPTION

Jun-Air 87R-15B Oil-Free Compressor is part of Jun-Air's oil-free R-series, from the Danish specialist in ultra-quiet compressors. Its rocking-piston pump produces clean air with no oil mist and none of the maintenance tied to oil changes or air/oil separators. The 15-litre tank provides a larger air reserve and steadier pressure under fluctuating demand.

KEY FEATURES

- Oil-free rocking-piston technology for clean, oil-free compressed air
- Ultra-quiet operation, the hallmark of Jun-Air, for use right at the workplace
- 15-litre receiver tank base unit ("B" configuration) for a larger air reserve
- Low maintenance: no oil changes, oil filters or separators
- Proven Jun-Air 87R pump platform
- Suited to continuous duty in demanding environments
