TECHNICAL DATA

Weight **0.15 kg**

DESCRIPTION

Jun-Air Pressure Hose 1/8" 13 (15) - 6413000 - This pressure-rated hose with a 1/8" connection links the compressed-air components of the Jun-Air compressor and carries the compressed air reliably and leak-free. As a genuine Jun-Air OEM spare part (type 13 (15)), it replaces worn or leaking original hoses.

KEY FEATURES

- Genuine Jun-Air OEM spare part (part 6413000)
- 1/8" connection, type 13 (15)
- Pressure-rated, leak-free air routing
- For repair and maintenance of Jun-Air compressors
