

ESD polo shirt Pro Plus 210 g/m², navy blue/black, 5XL

Item no. WL44394

Manufacturer Safeguard

Pro Plus ESD polo shirt with woven-in carbon fibres for reliable dissipation of static charges. Navy blue with a black-trimmed polo collar, chest pocket and ESD logo. Size 5XL, unisex.

TECHNICAL DATA

Ausführungsklasse **ESD (antistatic)**Certification **IEC 61340-5-1**Colour **Navy**Geschlecht **Unisex**Sales unit **1 Stück**Size **5XL**Weight **0.1 kg**

STANDARDS & COMPLIANCE

ESD safe **DIN EN 61340-5-1**

DESCRIPTION

The Safeguard Pro Plus polo shirt protects staff and electronic components in the EPA against uncontrolled electrostatic discharge. The woven-in carbon fibres dissipate static charges in a controlled way without sacrificing the comfort of a classic polo.

BENEFITS

- Carbon-fibre grid delivers a typical dissipation resistance of 10⁵ to 10⁷ ohms
- Fabric weight of 210 g/m² for comfortable wear across full shifts
- Black-trimmed polo collar, sleeves with black cuffs and a chest pocket with ESD logo

TECHNICAL DATA

- Model: Safeguard Pro Plus
- Colour: navy blue with black accents
- Size: 5XL, unisex
- Material: 50% cotton, 47% polyamide, 3% carbon fibre
- Fabric weight: 210 g/m²
- Sleeve length: short sleeve

- Selling unit: 1 piece

APPLICATIONS

Suitable for workplaces in electronics manufacturing, assembly and inspection where ESD-compliant clothing is required inside the EPA.

STANDARDS AND COMPLIANCE

Meets the requirements of DIN EN 61340-5-1 for personnel ESD protective clothing.
