

Power Strip with 6 Outlets for ESD Workstations, IP20 - Bosch Rexroth 3842518598

Item no. BRR-3842518598

Manufacturer Bosch Rexroth

EAN 4050075766635

The L/6S/H D power strip provides 6 angled safety outlets in a compact arrangement, purpose-built for ESD-compliant assembly and test workstations. IP20-rated with a switchable input/output and mounting hardware included; power cable (3842517045) ordered separately.

TECHNICAL DATA

Ausführungsklasse	TEC
Country of Manufacture	Germany
Weight	0.0099 kg

STANDARDS & COMPLIANCE

ESD safe IEC 529 DIN 40050

DESCRIPTION

The Bosch Rexroth L/6S/H D power strip supplies up to 6 devices at ESD-compliant assembly and inspection workstations. Closely spaced, angled outlets minimize cable routing space, while the integrated switchable input/output allows all connected loads to be cut centrally. Mounting hardware is included; power cable 3842517045 must be ordered separately.

- 6 safety outlets in a space-saving angled arrangement
- Switchable input and output for centralized load control
- Protection rating IP20 per IEC 529 / DIN 40050 - suitable for dry indoor use
- Suitable for use at ESD workstations
- Mounting kit included
- Version with RCD/GFCI circuit breaker available on request
