

Platform Trolley 850 x 500 mm 400 kg - Fetra 2100

Item no. FE-2100

Manufacturer Fetra

EAN 4017976021003

Manoeuvrable platform trolley with a 850 x 500 mm load area and 400 kg capacity for in-house material handling. The galvanised steel side panel secures the load and the electrically conductive TPE tyres run quietly and track true.

TECHNICAL DATA

Ausführungsklasse	TEC
Country of Manufacture	Germany
HS-Code	87168000
Warranty	10 years
Weight	21 kg

DESCRIPTION

The Fetra platform trolley 2100 carries material, crates and containers reliably through production and warehouse. The 850 x 500 mm load area takes up to 400 kg and the surrounding galvanised steel side panel keeps the load secure.

KEY BENEFITS

- 400 kg capacity on a 850 x 500 mm load area
- High galvanised steel side panel prevents items falling
- electrically conductive TPE tyres, 160 mm wheels, for quiet, true-tracking travel
- Two swivel and two fixed castors for good manoeuvrability

TECHNICAL DATA
