DESCRIPTION

The Fetra 1802 platform trolley supplies assembly, order picking and office areas with material over three levels. The TPE tyres run quietly and leave no marks on sensitive floors, so the trolley also suits clean production and sales areas.

BENEFITS

- Total capacity 300 kg, 80 kg on each of the middle and upper decks.
- Three decks in wood-based board with beech decor, easy to clean.
- 125 mm TPE tyres with grooved ball bearings, quiet and non-marking.
- 2 swivel and 2 fixed castors, brakes on the swivel castors for a secure stand.
- Profile-steel and steel-tube welded frame, powder-coated brilliant blue RAL 5007.
