DESCRIPTION

The Fetra 3601 Optiliner table trolley spreads material across two decks and keeps tools, containers and picked goods within reach. The push handle folds flat, so the trolley stores in little space and travels along on mobile jobs.

KEY BENEFITS

- Two decks with a combined 400 kg capacity, 200 kg per shelf on 900 x 600 mm
- Push handle folds flat for space-saving storage and transport
- Separate decks keep material sorted and quick to reach
- TotalStop brake locks the swivel castor and wheel together, FixStop holds the track on ramps and slopes
- 160 mm TPE wheels run smoothly and quietly and leave no marks
