DESCRIPTION

The Fetra 3301 Optiliner is a folding platform trolley for in-plant transport in stores, workshops and dispatch. The push handle folds flat onto the load deck, so several trolleys nest into little floor space and travel along in a delivery vehicle.

KEY BENEFITS

- Total load capacity 400 kg on a 900 x 600 mm load area
- Push handle folds flat for space-saving storage and transport
- Low load-area height of 230 mm makes loading and unloading easier
- TotalStop brake locks the swivel castor and wheel together, FixStop holds the track on ramps and slopes
- 160 mm TPE wheels run smoothly and quietly and leave no marks
