TECHNICAL DATA

Ausführungsklasse	TEC
Country of Manufacture	Germany
HS-Code	87168000
Warranty	10 years
Weight	37 kg

DESCRIPTION

The double end-panel trolley moves general goods, cartons and containers safely through stores, dispatch and production. The load area measures 1000 x 600 mm and carries 500 kg. Two sturdy end panels secure tall goods against slipping off.

KEY BENEFITS

- 500 kg load capacity on a 1000 x 600 mm load area
- Solid rubber wheels run easily and quietly over sills and rough floors
- Total-stop parking brake (wheel and swivel lock) secures the trolley at the workplace
- Two sturdy end panels secure tall goods against slipping off.
- Steel tube/sheet construction, powder-coated, permanently surface-protected
