

Platform trolley 500 kg, 2 shelves, load area 850 x 500 mm - Fetra 2400-7016

Item no. FE-2400/7016

Manufacturer Fetra

EAN 4017976324005

Sturdy platform trolley with 500 kg capacity and 2 load areas of 850 x 500 mm for in-plant material handling. The wood-based panels with beech finish are durable and easy to clean, and the TPE wheels run quietly and non-marking on industrial floors.

TECHNICAL DATA

Ausführungsklasse	TEC
Country of Manufacture	Germany
HS-Code	87168000
Warranty	10 years
Weight	36 kg

DESCRIPTION

The 2400-7016 platform trolley moves parts, containers and picked goods up to 500 kg across 2 levels of 850 x 500 mm each. The welded steel-tube and profile-steel MultiVario frame is powder-coated in Grey Edition (RAL 7016) and stays impact and scratch resistant.

BENEFITS

- 500 kg total capacity, 200 kg per load area
- 2 levels of 850 x 500 mm for more storage on a small footprint
- Wood-based panels with beech finish
- 2 swivel and 2 fixed castors with quiet, non-marking TPE tyres
- Brakes on the swivel castors for safe loading

TECHNICAL DATA

- Total capacity: 500 kg
- Capacity per load area: 200 kg
- Load area: 850 x 500 mm
- Number of levels: 2
- Overall height: 860 mm
- Tyres: TPE, hubs with ball bearings
- Platforms: wood-based panels with beech finish
- Frame: steel tube and profile steel, powder-coated RAL 7016

- Net weight: 36.0 kg

APPLICATIONS

For assembly, order picking, storage and workshop use where material is collected on several levels and moved between workstations.

EXPANSION

The MultiVario system accepts push handles, side walls, divider panels and additional load areas.

ORIGIN AND WARRANTY

Made in Germany. 10-year Fetra warranty.
