Warranty	10 years
Weight	32 kg

DESCRIPTION

The Fetra platform trolley 2496-7016 handles in-plant transport of goods and materials up to 400 kg on a 600 x 600 mm load area. The 2 load levels (level heights 228, 860 mm) provide separate storage tiers.

BENEFITS

- Welded steel frame built for 400 kg in continuous duty
- Sturdy wood-based load deck
- Quiet, floor-friendly solid TPE tyres, wheels Ø 160 mm
- Double-stop wheel lock holds the trolley against rolling and swivelling
- Powder-coated finish in RAL 7016 anthracite grey for long service life
