WEIGHT
58 kg

STANDARDS & COMPLIANCE

ESD safe

DESCRIPTION

The 2403 platform trolley moves parts, containers and picked goods up to 600 kg across 2 levels of 1200 x 800 mm each. The welded steel-tube and profile-steel MultiVario frame is powder-coated and stays impact and scratch resistant.

Benefits

- 600 kg total capacity, 200 kg per load area
- 2 levels of 1200 x 800 mm for more storage on a small footprint
- Wood-based panels with beech finish
- 2 swivel and 2 fixed castors with quiet, non-marking TPE tyres
- Brakes on the swivel castors for safe loading

Technical data

- Total capacity: 600 kg
- Capacity per load area: 200 kg
- Load area: 1200 x 800 mm
- Number of levels: 2
- Overall height: 900 mm
- Tyres: TPE, hubs with ball bearings
- Platforms: wood-based panels with beech finish
- Frame: steel tube and profile steel, powder-coated RAL 5007
- Net weight: 58.0 kg

Applications

For assembly, order picking, storage and workshop use where material is collected on several levels and moved between workstations.

Expansion

The MultiVario system accepts push handles, side walls, divider panels and additional load areas.

Origin and warranty

Made in Germany. 10-year Fetra warranty.
