

3-Shelf Trolley 850 x 500 mm 500 kg - Fetra 8100

Item no. FE-8100

Manufacturer Fetra

EAN 4017976181004

Sturdy 3-shelf trolley with three load areas of 850 x 500 mm each and 500 kg total capacity. Non-marking TPE wheels run quietly, and the total-lock brake holds the trolley securely in place.

TECHNICAL DATA

Ausführungsklasse	TEC
Country of Manufacture	Germany
HS-Code	87168000
Warranty	10 years
Weight	42 kg

DESCRIPTION

The 8100 shelf trolley moves material and order-picking goods safely across 3 levels through production and warehouse. With 500 kg total capacity, each 850 x 500 mm load area carries up to 90 kg. The 160 mm TPE wheels run quietly and leave no marks on the floor, and the total-lock brake holds the trolley firmly at the workplace.

BENEFITS

- 3 load areas of 90 kg each for separating several orders
- 500 kg total capacity for continuous industrial use
- Non-marking, quiet TPE tyres for indoor use
- Total-lock brake prevents rolling away
- Welded steel tube, powder-coated

TECHNICAL DATA

- Total capacity: 500 kg
- Capacity per shelf: 90 kg
- Usable area per shelf: 850 x 500 mm
- Number of shelves: 3
- Shelf heights: 228, 628, 1028 mm
- Overall size (L x W x H): 1019 x 509 x 1111 mm
- Wheels: 160 mm TPE tread

- Total-lock brake
- Made in Germany

APPLICATIONS

In-house material transport, order picking and line feeding in manufacturing, assembly and warehousing.

QUALITY

Made in Germany, fetra quality with a 10-year warranty.
