

Shelf trolley 5 tiers, 500 kg, load area 850 x 500 mm - Fetra 8240

Item no. FE-8240

Manufacturer Fetra

EAN 4017976082400

Shelf trolley with 500 kg load capacity across 5 tiers for in-plant material handling. Usable area 850 x 500 mm per shelf, overall height 1511 mm, welded steel frame with Total-Stop and Fix-Stop brake system. Made in Germany with a 10-year warranty.

TECHNICAL DATA

Ausführungsklasse	TEC
Country of Manufacture	Germany
HS-Code	87168000
Warranty	10 years
Weight	57 kg

DESCRIPTION

The Fetra shelf trolley 8240 moves up to 500 kg across 5 tiers through production, warehouse and dispatch areas. The 5 levels of 850 x 500 mm usable area each keep orders, parts or picks cleanly separated so more is carried in a single run.

KEY BENEFITS

- 500 kg total capacity on 5 tiers for high transport throughput per trip
- 1 fixed shelf and 4 repositionable shelves in beech-finish wood, adjustable on a 100 mm pitch
- Welded tubular steel chassis, powder-coated blue RAL 5007, built for continuous duty
- Total-Stop and Fix-Stop brake system locks the trolley securely during loading and unloading
- Overall height 1511 mm, easy to push and to manoeuvre through standard doorways

TECHNICAL DATA

- Load capacity: 500 kg
- Tiers: 5
- Usable area per tier: 850 x 500 mm
- Overall height: 1511 mm
- Net weight: 57 kg
- Wheels: 2 swivel and 2 fixed castors, TPE tyres, ball-bearing hubs
- Frame: steel, powder-coated blue RAL 5007
- Shelves: wood, beech-finish surface

APPLICATIONS

Order picking, in-plant material flow, line-side supply at assembly stations, workshop and dispatch logistics. The separate levels suit staging several orders in parallel.

QUALITY AND WARRANTY

Made in Germany, 10-year warranty. Optional pneumatic, elastic, polyamide or polyurethane tyres and matching Euro containers and accessories are available.
