

Euro Container Trolley with 15 Bins, 400 kg, 1,240 x 610 mm - Fetra 1399

Item no. FE-1399

Manufacturer Fetra

EAN 4017976013992

Tiered trolley with 15 Euro stacking bins for the orderly supply of small parts, 400 kg capacity. Five levels at 80 kg each keep screws, components and picking goods mobile and clearly accessible.

TECHNICAL DATA

Ausführungsklasse	TEC
Country of Manufacture	Germany
HS-Code	87168000
Warranty	10 years
Weight	96 kg

DESCRIPTION

The 1399 Euro container trolley brings 15 Euro stacking bins on five levels straight to the assembly or picking station. Small parts stay sorted, mobile and within reach without bending, with a total capacity of 400 kg.

KEY BENEFITS

- 15 Euro stacking bins across 5 levels, sorted small-parts supply
- Total capacity 400 kg, 80 kg per level
- TPE wheels 160 mm, smooth-running and non-marking on plant floors
- Usable area 1,240 x 610 mm per level

TECHNICAL DATA

- Total load capacity: 400 kg
- Capacity per level: 80 kg
- Tyres: TPE, wheel diameter 160 mm
- Usable area: 1,240 x 610 mm
