

Hook-on tow bar for Euro container rollers - Fetra 13560

Item no. FE-13560

Manufacturer Fetra

EAN 4017976135601

Hook-on tow bar to upgrade Fetra Euro container rollers for towing. Several rollers can be coupled into a train and pulled by a tugger over longer distances.

TECHNICAL DATA

Ausführungsklasse	TEC
Country of Manufacture	Germany
HS-Code	73269098
Warranty	10 years
Weight	1.4 kg

DESCRIPTION

The hook-on tow bar upgrades Fetra Euro container rollers for towed operation. It lets several rollers be coupled into a tugger train and pulled by tugger or by hand over longer distances instead of pushing each roller individually.

BENEFITS

- Makes Euro container rollers tow-capable for tugger trains
- Tool-free hook-on to the roller
- Reduces trips by coupling several rollers
- Sturdy steel construction for continuous use

TECHNICAL DATA

- Version: hook-on tow bar
- Fits Fetra Euro container rollers
- Material: steel
- Weight: 1.4 kg

APPLICATIONS

For in-plant tugger trains and material supply where several rollers move together.

ORIGIN AND WARRANTY

Made in Germany. 10-year Fetra warranty.
